

Mn/DOT Local Road and Bridge Programs Grant Administration

Report to the Legislature

November 1, 2010

*As required by
Laws 2010, Ch. 189, Sec. 15, Subd. 2*

ESTIMATED COSTS OF PREPARING THIS REPORT

The cost information reported below is the estimated cost of preparing this report document. Special funding was not appropriated for the costs of preparing this report.

In accordance with Minn. Stat. 3.197, the estimated cost incurred by Minnesota Management & Budget in preparing this report is less than \$1,000 and by the Minnesota Department of Transportation is also less than \$1,000.

BACKGROUND

Mn/DOT's local bridge replacement and rehabilitation (Minn. Stat. Sec. 174.50) and local road improvement (Minn. Stat. Sec. 174.52) programs are large, high-priority local transportation funding programs. The local bridge program received \$40 million in general obligation bond funding in 2005, \$55 million in 2006, \$52 million in 2008, \$10 million in 2009 and \$66 million in 2010. The local road program received \$10 million in bond funding in 2005, \$16 million in 2006 and \$10 million in 2008. Mn/DOT disburses the funds in these programs to local governments in varying amounts, and some of the grants are relatively small.

Prior to 2008, Mn/DOT did not enter into grant agreements with program participants. Instead, Mn/DOT required each city or county grant recipient to adopt a council or board resolution in which the recipient agreed to comply with statutory provisions applicable to the grant, to provide any additional funding needed to complete the project and to return any unneeded funds to Mn/DOT.

In December 2008, the Office of the Legislative Auditor issued a report of its internal control and compliance audit of certain general obligation bond expenditures. The OLA noted a number of weaknesses in MMB's and other state agencies' use and monitoring of local governments' use of bond funds. Insofar as they relate to this report, those weaknesses included:

- MMB did not oversee how well state agencies monitored the expenditure of bond funds granted to political subdivisions,
- Mn/DOT did not have grant agreements in place for its local road and bridge programs, and
- MMB did not verify that real estate declarations were recorded on property purchased or bettered with bond funds.

Minn. Stat. 16A.695 and the Order of Commissioner of Finance Relating to Use and Sale of State Bond Financed Property dated July 14, 1994, as amended, require that grant agreements be in place for all bond fund grants to local governments. The declaration requirement was administratively added to the Commissioner's Order to protect the state's interest in the property by preventing subsequent sale of the property without the approval of the commissioner of MMB, as required by Minn. Stat. 16A.695. This approval process ensures that any required repayment of some or all of the sale proceeds to the state occurs so that bonds can be repaid.

MMB prepares and periodically updates standard grant agreement forms for agency use and makes them available on its website. MMB attempts to maintain relative uniformity in its grant agreement forms across agencies for ease of preparation and administration. Following the release of the 2008 OLA audit, MMB worked with Mn/DOT to prepare grant agreement forms specifically for Mn/DOT's use for each of the local road and bridge programs.

Mn/DOT, as well as the Association of Minnesota Counties, the League of Cities and others, have made MMB aware that the grant recipients find the current grant agreement and declaration recording requirement onerous. They have requested that the grant agreement be streamlined, citing the significant amount of local government staff time and expense required to prepare and review the agreement as it currently stands. Moreover, the fact that these projects involve land in road or highway rights-of-way with legal descriptions that are difficult to obtain make it difficult for local governments to comply with the declaration recording requirement.

THE LEGISLATIVE MANDATE

Laws of Minnesota 2010, Chapter 189, Section 15, Subdivision 2 provides in part as follows:

By November 1, 2010, the commissioner of management and budget, subject to approval of the commissioner of transportation, shall implement a grant administration method for grants provided under Minnesota Statutes, sections 174.50 and 174.52. The grant administration method must:

- (1) not require a separate grant agreement for each project funded in whole or in part from general obligation grants;
- (2) provide for efficient audits concerning state bond-financed property;
- (3) ensure that all uses of the state bond-financed property will not cause the interest on the state general obligation bonds to be or become subject to federal income taxation for any reason; and
- (4) otherwise comply with Minnesota Statutes, section 16A.695, the Minnesota Constitution, and all commissioner's orders.

By November 1, 2010, the commissioners of management and budget and transportation shall jointly submit a report on the grant administration method to the chairs and ranking minority members of the house of representatives and senate committees with jurisdiction over transportation policy and finance and capital investment. At a minimum, the report must briefly summarize the grant administration method being implemented, provide a copy of any model grant agreement, and provide recommendations, if any, for legislative changes.

METHODOLOGY

Gay Greiter, Capital Budget Coordinator at MMB, and Rick Kjonaas and Merry Daher, State Aid for Local Transportation at Mn/DOT, were the primary individuals who worked to revise the current grant administration process. Patti Loken at MnDOT, who has acted as the

grant administrator for both of these programs for many years, also contributed to the process. Additional suggestions and comments were elicited during the revision process from the Association of Minnesota Counties, the League of Cities and certain local governments who have participated in the programs in the past.

With respect to the real estate declaration requirement, it had already come to MMB's attention that this was onerous and difficult to comply with for several state programs involving work in street and highway rights-of-way and utility corridors, including the Mn/DOT road and bridge programs, Public Facilities Authority clean and drinking water revolving fund loan programs, and Metropolitan Council inflow and infiltration grants, among others. As mentioned above, legal descriptions for streets, highways and utility easements can be difficult to produce, especially when projects involve literally miles of streets. Moreover, the chances of such property ever being sold (which is the rationale for the declaration requirement) are remote.

In response to these considerations, on August 26, 2010, MMB administratively amended the Commissioner's Order to allow agencies or local governments to apply to the commissioner of MMB for a waiver of the declaration requirement for projects (or portions of projects) within street or highway rights-of-way and/or utility or transit corridors. Mn/DOT has already obtained a waiver from MMB for the local bridge program and expects to request a waiver for the local road program in the near future. These waivers will eliminate one of the most significant impediments to efficient administration of these grant programs.

As to the need for grant agreements generally, both MMB and Mn/DOT agreed that some form of grant agreement is still needed in order to meet the requirements of subparagraphs (2), (3) and (4) of the legislative mandate set forth above, as well as to ensure that grant recipients understand and agree to comply with other applicable statutes and rules. However, the grant agreements have been significantly shortened and streamlined. The first two pages of each grant agreement contain all of the information specific to each grant and the grant recipient, which used to be dispersed throughout the document. General grant terms and conditions are now attached as an exhibit.

Lastly, the grant agreement forms now allow for multiple grants to a single grantee to be reflected in a single executed grant agreement, thus meeting the requirement in subparagraph (1) of the legislative mandate that a grant agreement not be required for each project.

CONCLUSIONS

We believe that the change in the Commissioner's Order to allow for elimination of the declaration recording requirement, as well as the changes described in the grant agreement forms, will significantly improve the grant administration process for both the local road and bridge programs. Local governments will be spared the expense of producing legal descriptions and recording declarations, and will also save staff time and expense in preparing and reviewing

the grant agreements. This will in turn allow Mn/DOT to disburse program funds more expeditiously.

We are not recommending any further legislative changes at this time.

- A. If any representation, covenant, or warranty made by the Public Entity herein or in any other document furnished pursuant to the Agreement, or to induce MnDOT to disburse the LBRP Grant, shall prove to have been untrue or incorrect in any material respect or materially misleading as of the time such representation, covenant, or warranty was made.

- I. If the Public Entity fails to supply the funds needed to operate the Real Property in the manner specified in Section 2.04.

Notwithstanding the foregoing, any of the above events that cannot be cured shall, unless waived in writing by MnDOT and the Commissioner, constitute an Event of Default under the Agreement immediately upon either MnDOT or the Commissioner giving the Public Entity written notice of such event.

Section 2.08 **Remedies.** Upon the occurrence of an Event of Default and at any time thereafter until such Event of Default is cured to the satisfaction of MnDOT, MnDOT or the Commissioner may enforce any or all of the following remedies.

- A. MnDOT may refrain from disbursing the LBRP Grant; provided, however, MnDOT may make such disbursements after the occurrence of an Event of Default without waiving its rights and remedies hereunder.
- B. If the Event of Default involves a sale of the Public Entity's interest in the Real Property in violation of Minn. Stat. Sec. 16A.695 or the Commissioner's Order, the Commissioner, as a third party beneficiary of the Agreement, may require that the Public Entity pay the amounts that would have been paid if there had been compliance with such provisions. For other Events of Default, the Commissioner may require that the Outstanding Balance of the LBRP Grant be returned to it.
- C. Either MnDOT or the Commissioner, as a third party beneficiary of the Agreement, may enforce any additional remedies it may have in law or equity.

The rights and remedies specified herein are cumulative and not exclusive of any rights or remedies that MnDOT or the Commissioner would otherwise possess.

If the Public Entity does not repay the amounts required to be paid under this Section or under any other provision contained herein within 30 days of demand by the Commissioner, or any amount ordered by a court of competent jurisdiction within 30 days of entry of judgment against the Public Entity and in favor of MnDOT and/or the Commissioner, then such amount may, unless precluded by law, be offset against any aids or other monies that the Public Entity is entitled to receive from the State of Minnesota.

Section 2.09 **Notification of Event of Default.** The Public Entity shall furnish to MnDOT and the Commissioner, as soon as possible and in any event within seven (7) days after it has obtained knowledge of the occurrence of each Event of Default, a statement setting forth details of each Event of Default and the action which the Public Entity proposes to take with respect thereto.

Section 2.10 **Effect of Event of Default.** The Agreement shall survive Events of Default and remain in full force and effect, even upon full disbursement of the LBRP Grant, and shall only be terminated under the circumstances set forth in Section 2.11.

Section 2.11 **Termination of Agreement and Modification of LBRP Grant.**

A. If the Project is not started within five (5) years after the effective date of the Agreement or the LBRP Grant has not been disbursed within four (4) years after the date the Project was started, MnDOT's obligation to fund the LBRP Grant shall terminate. In such event, (i) if none of the LBRP Grant has been disbursed by such date, MnDOT shall have no obligation to fund the LBRP Grant and the Agreement will terminate, and (ii) if some but not all of the LBRP Grant has been disbursed by such date, MnDOT shall have no further obligation to provide any additional funding for the LBRP Grant and the Agreement shall remain in force but shall be modified to reflect the amount of the LBRP Grant that was actually disbursed and the Public Entity is still obligated to complete the Project by the Completion Date.

B. The Agreement shall terminate upon the Public Entity's sale of its interest in the Real Property and transmittal of the required portion of the proceeds of the sale to the Commissioner in compliance with Minn. Stat. Sec. 16A.695 and the Commissioner's Order, or upon the termination of the Public Entity's ownership interest in the Real Property if such ownership interest is an easement.

Article III
COMPLIANCE WITH MINN. STAT. SEC. 16A.695
AND THE COMMISSIONER'S ORDER

Section 3.01 **State Bond Financed Property.** The Public Entity acknowledges that its interest in the Real Property is, or when acquired by it will be, "state bond financed property", as such term is used in Minn. Stat. Sec. 16A.695 and the Commissioner's Order and, therefore, the provisions contained in such statute and order apply, or will apply, to its interest in the Real Property, even if the LBRP Grant will only pay for a portion of the Project.

Section 3.02 **Preservation of Tax Exempt Status.** In order to preserve the tax-exempt status of the G.O. Bonds, the Public Entity agrees as follows:

- A. It will not use the Real Property or use or invest the LBRP Grant or any other sums treated as "bond proceeds" under Section 148 of the Code (including "investment proceeds," "invested sinking funds" and "replacement proceeds") in such a manner as to cause the G.O. Bonds to be classified as "arbitrage bonds" under Code Section 148.
- B. It will deposit and hold the LBRP Grant in a segregated non-interest-bearing account until such funds are used for payments for the Project.
- C. It will, upon written request, provide the Commissioner all information required to satisfy the informational requirements set forth in the Code, including Sections 103 and 148, with respect to the G.O. Bonds.

- D. It will, upon the occurrence of any act or omission by the Public Entity that could cause the interest on the G.O. Bonds to no longer be tax exempt and upon direction from the Commissioner, take such actions and furnish such documents as the Commissioner determines to be necessary to ensure that the interest to be paid on the G.O. Bonds is exempt from federal taxation, which such action may include: (i) compliance with proceedings intended to classify the G.O. Bonds as a “qualified bond” within the meaning of Code Section 141(e), or (ii) changing the nature of the use of the Real Property so that none of the net proceeds of the G.O. Bonds will be deemed to be used, directly or indirectly, in an “unrelated trade or business” or for any “private business use” within the meaning of Code Sections 141(b) and 145(a).
- E. It will not otherwise use any of the LBRP Grant or take, permit or cause to be taken, or omit to take, any action that would adversely affect the exemption from federal income taxation of the interest on the G.O. Bonds, and if it should take, permit or cause to be taken, or omit to take, as appropriate, any such action, it shall take all lawful actions necessary to correct such actions or omissions promptly upon obtaining knowledge thereof.

Section 3.03 **Changes to G.O. Compliance Legislation or the Commissioner’s Order.** If Minn. Stat. Sec. 16A.695 or the Commissioner’s Order is amended in a manner that reduces any requirement imposed against the Public Entity, or if the Public Entity’s interest in the Real Property becomes exempted from Minn. Stat. Sec. 16A.695 and the Commissioner’s Order, then upon written request by the Public Entity, MnDOT shall execute an amendment to the Agreement to implement such amendment or exempt the Public Entity’s interest in the Real Property from Minn. Stat. Sec. 16A.695 and the Commissioner’s Order.

Article IV DISBURSEMENT OF GRANT PROCEEDS

Section 4.01 **The Advances.** MnDOT agrees, on the terms and subject to the conditions set forth herein, to make Advances of the LBRP Grant to the Public Entity from time to time in an aggregate total amount not to exceed the amount of the LBRP Grant. If the amount of LBRP Grant that MnDOT cumulatively disburses hereunder to the Public Entity is less than the amount of the LBRP Grant delineated in Section 1.01, then MnDOT and the Public Entity shall enter into and execute whatever documents MnDOT may request in order to amend or modify this Agreement to reduce the amount of the LBRP Grant to the amount actually disbursed. Provided, however, in accordance with the provisions contained in Section 2.11, MnDOT’s obligation to make Advances shall terminate as of the dates specified in Section 2.11 even if the entire LBRP Grant has not been disbursed by such dates.

Advances shall only be for expenses that (i) are for those items of a capital nature delineated in Source and Use of Funds that is attached as **Exhibit A**, (ii) accrued no earlier than the effective date of the legislation that appropriated the funds that are used to fund the LBRP Grant, or (iii) have otherwise been consented to, in writing, by the Commissioner.

It is the intent of the parties hereto that the rate of disbursement of the Advances shall not exceed the rate of completion of the Project or the rate of disbursement of the matching funds required, if any, under Section 5.13. Therefore, the cumulative amount of all Advances disbursed by the State Entity at any point in time shall not exceed the portion of the Project that has been completed and the percentage of the matching funds required, if any, under Section 5.13 that have been disbursed as of such point in time. This requirement is expressed by way of the following two formulas:

Formula #1:

Cumulative Advances \leq (Program Grant) \times (percentage of matching funds, if any, required under Section 5.13 that have been disbursed)

Formula #2:

Cumulative Advances \leq (Program Grant) \times (percentage of Project completed)

Section 4.02 **Draw Requisitions.** Whenever the Public Entity desires a disbursement of a portion of the LBRP Grant the Public Entity shall submit to MnDOT a Draw Requisition duly executed on behalf of the Public Entity or its designee. Each Draw Requisition with respect to construction items shall be limited to amounts equal to: (i) the total value of the classes of the work by percentage of completion as approved by the Public Entity and MnDOT, plus (ii) the value of materials and equipment not incorporated in the Project but delivered and suitably stored on or off the Real Property in a manner acceptable to MnDOT, less (iii) any applicable retainage, and less (iv) all prior Advances.

Notwithstanding anything herein to the contrary, no Advances for materials stored on or off the Real Property will be made by MnDOT unless the Public Entity shall advise MnDOT, in writing, of its intention to so store materials prior to their delivery and MnDOT has not objected thereto.

At the time of submission of each Draw Requisition, other than the final Draw Requisition, the Public Entity shall submit to MnDOT such supporting evidence as may be requested by MnDOT to substantiate all payments which are to be made out of the relevant Draw Requisition or to substantiate all payments then made with respect to the Project.

The final Draw Requisition shall not be submitted before completion of the Project, including any correction of material defects in workmanship or materials (other than the completion of punch list items). At the time of submission of the final Draw Requisition the Public Entity shall submit to MnDOT: (i) such supporting evidence as may be requested by MnDOT to substantiate all payments which are to be made out of the final Draw Requisition or to substantiate all payments then made with respect to the Project, and (ii) satisfactory evidence that all work requiring inspection by municipal or other governmental authorities having jurisdiction has been duly inspected and approved by such authorities and that all requisite certificates and other approvals have been issued.

If on the date an Advance is desired the Public Entity has complied with all requirements of this Agreement and MnDOT approves the relevant Draw Requisition, then MnDOT shall disburse the amount of the requested Advance to the Public Entity.

Section 4.03 **Additional Funds.** If MnDOT shall at any time in good faith determine that the sum of the undisbursed amount of the LBRP Grant plus the amount of all other funds committed to the Project is less than the amount required to pay all costs and expenses of any kind which reasonably may be anticipated in connection with the Project, then MnDOT may send written notice thereof to the Public Entity specifying the amount which must be supplied in order to provide sufficient funds to complete the Project. The Public Entity agrees that it will, within 10 calendar days of receipt of any such notice, supply or have some other entity supply the amount of funds specified in MnDOT's notice.

Section 4.04 **Condition Precedent to Any Advance.** The obligation of MnDOT to make any Advance hereunder (including the initial Advance) shall be subject to the following conditions precedent:

- A. MnDOT shall have received a Draw Requisition for such Advance specifying the amount of funds being requested, which such amount when added to all prior requests for an Advance shall not exceed the amount of the LBRP Grant set forth in Section 1.01.

- B. No Event of Default under this Agreement or event which would constitute an Event of Default but for the requirement that notice be given or that a period of grace or time elapse shall have occurred and be continuing.
- C. No determination shall have been made by MnDOT that the amount of funds committed to the Project is less than the amount required to pay all costs and expenses of any kind that may reasonably be anticipated in connection with the Project, or if such a determination has been made and notice thereof sent to the Public Entity under Section 4.03, then the Public Entity has supplied, or has caused some other entity to supply, the necessary funds in accordance with such section or has provided evidence acceptable to MnDOT that sufficient funds are available.
- D. The Public Entity has supplied to MnDOT all other items that MnDOT may reasonably require.

Section 4.05 **Processing and Disbursement of Advances.** The Public Entity acknowledges and agrees as follows:

- A. Advances are not made prior to completion of work performed on the Project.
- B. All Advances are processed on a reimbursement basis.
- C. The Public Entity must first document expenditures to obtain an Advance.
- D. Reimbursement requests are made on a partial payment basis or when the Project is completed.
- E. All payments are made following the “Delegated Contract Process or State Aid Payment Request” as requested and approved by the appropriate district state aid engineer.

Section 4.06 **Construction Inspections.** The Public Entity shall be responsible for making its own inspections and observations regarding the completion of the Project, and shall determine to its own satisfaction that all work done or materials supplied have been properly done or supplied in accordance with all contracts that the Public Entity has entered into regarding the completion of the Project.

Article V MISCELLANEOUS

Section 5.01 **Insurance.** If the Public Entity elects to maintain general comprehensive liability insurance regarding the Real Property, then the Public Entity shall have MnDOT named as an additional named insured therein.

Section 5.02 **Condemnation.** If, after the Public Entity has acquired the ownership interest set forth in Section 2.02, all or any portion of the Real Property is condemned to an extent that the Public Entity can no longer comply with Section 2.04, then the Public Entity shall, at its sole option, either: (i) use the condemnation proceeds to acquire an interest in additional real property needed for the Public Entity to continue to comply with Section 2.04 and to provide whatever additional funds that may be needed for such purposes, or (ii) submit a request to MnDOT and the Commissioner to allow it to sell the remaining portion of its interest in the Real Property. Any condemnation proceeds which are not used to acquire an interest in additional real property shall be applied in accordance with Minn. Stat. Sec.

16A.695 and the Commissioner's Order as if the Public Entity's interest in the Real Property had been sold. If the Public Entity elects to sell its interest in the portion of the Real Property that remains after the condemnation, such sale must occur within a reasonable time period after the date the condemnation occurred and the cumulative sum of the condemnation and sale proceeds applied in accordance with Minn. Stat. Sec. 16A.695 and the Commissioner's Order.

If MnDOT receives any condemnation proceeds referred to herein, MnDOT agrees to or pay over to the Public Entity all of such condemnation proceeds so that the Public Entity can comply with the requirements of this Section.

Section 5.03 Use, Maintenance, Repair and Alterations. The Public Entity shall not, without the written consent of MnDOT and the Commissioner, (i) permit or allow the use of any of the Real Property for any purpose other than the purposes specified in Section 2.04, (ii) substantially alter any of the Real Property except such alterations as may be required by laws, ordinances or regulations, or such other alterations as may improve the Real Property by increasing its value or which improve its ability to be used for the purposes set forth in Section 2.04, (iii) take any action which would unduly impair or depreciate the value of the Real Property, (iv) abandon the Real Property, or (v) commit or permit any act to be done in or on the Real Property in violation of any law, ordinance or regulation.

If the Public Entity fails to maintain the Real Property in accordance with this Section, MnDOT may perform whatever acts and expend whatever funds necessary to so maintain the Real Property, and the Public Entity irrevocably authorizes MnDOT to enter upon the Real Property to perform such acts as may be necessary to so maintain the Real Property. Any actions taken or funds expended by MnDOT shall be at its sole discretion, and nothing contained herein shall require MnDOT to take any action or incur any expense and MnDOT shall not be responsible, or liable to the Public Entity or any other entity, for any such acts that are performed in good faith and not in a negligent manner. Any funds expended by MnDOT pursuant to this Section shall be due and payable on demand by MnDOT and will bear interest from the date of payment by MnDOT at a rate equal to the lesser of the maximum interest rate allowed by law or 18% per year based upon a 365-day year.

Section 5.04 Recordkeeping and Reporting. The Public Entity shall maintain books and records pertaining to Project costs and expenses needed to comply with the requirements contained herein, Minn. Stat. Sec. 16A.695, the Commissioner's Order, and Minn. Stat. Sec. 174.50 and all rules related thereto, and upon request shall allow MnDOT, its auditors, the Legislative Auditor for the State of Minnesota, or the State Auditor for the State of Minnesota, to inspect, audit, copy, or abstract all of such items. The Public Entity shall use generally accepted accounting principles in the maintenance of such items, and shall retain all of such books and records for a period of six years after the date that the Project is fully completed and placed into operation.

Section 5.05 Inspections by MnDOT. The Public Entity shall allow MnDOT to inspect the Real Property upon reasonable request by MnDOT and without interfering with the normal use of the Real Property.

Section 5.06 Liability. The Public Entity and MnDOT agree that each will be responsible for its own acts and the results thereof to the extent authorized by law, and neither shall be responsible for the acts of the other party and the results thereof. The liability of MnDOT and the Commissioner is governed by the provisions of Minn. Stat. Sec. 3.736. If the Public Entity is a "municipality" as that term is used in Minn. Stat. Chapter 466, then the liability of the Public Entity is governed by the provisions of Chapter 466. The Public Entity's liability hereunder shall not be limited to the extent of insurance carried by or provided by the Public Entity, or subject to any exclusion from coverage in any insurance policy.

Section 5.07 **Relationship of the Parties.** Nothing contained in the Agreement is to be construed as establishing a relationship of co-partners or joint venture among the Public Entity, MnDOT, or the Commissioner, nor shall the Public Entity be considered to be an agent, representative, or employee of MnDOT, the Commissioner, or the State of Minnesota in the performance of the Agreement or the Project.

No employee of the Public Entity or other person engaging in the performance of the Agreement or the Project shall be deemed have any contractual relationship with MnDOT, the Commissioner, or the State of Minnesota and shall not be considered an employee of any of those entities. Any claims that may arise on behalf of said employees or other persons out of employment or alleged employment, including claims under the Workers' Compensation Act of the State of Minnesota, claims of discrimination against the Public Entity or its officers, agents, contractors, or employees shall in no way be the responsibility of MnDOT, the Commissioner, or the State of Minnesota. Such employees or other persons shall not require nor be entitled to any compensation, rights or benefits of any kind whatsoever from MnDOT, the Commissioner, or the State of Minnesota, including tenure rights, medical and hospital care, sick and vacation leave, disability benefits, severance pay and retirement benefits.

Section 5.08 **Notices.** In addition to any notice required under applicable law to be given in another manner, any notices required hereunder must be in writing and personally served or sent by prepaid, registered, or certified mail (return receipt requested), to the address of the party specified below or to such different address as may in the future be specified by a party by written notice to the others:

Section 5.09 **Assignment or Modification.** Neither the Public Entity nor MnDOT may assign any of its rights or obligations under the Agreement without the prior written consent of the other party.

Section 5.10 **Waiver.** Neither the failure by the Public Entity, MnDOT, or the Commissioner, as a third party beneficiary of the Agreement, in one or more instances to insist upon the complete observance or performance of any provision hereof, nor the failure of the Public Entity, MnDOT, or the Commissioner to exercise any right or remedy conferred hereunder or afforded by law shall be construed as waiving any breach of such provision or the right to exercise such right or remedy thereafter. In addition, no delay by any of the Public Entity, MnDOT, or the Commissioner in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude other or further exercise thereof or the exercise of any other right or remedy.

Section 5.11 **Choice of Law and Venue.** All matters relating to the validity, interpretation, performance, or enforcement of the Agreement shall be determined in accordance with the laws of the

State of Minnesota. All legal actions arising from any provision of the Agreement shall be initiated and venued in the State of Minnesota District Court located in St. Paul, Minnesota.

Section 5.12 **Severability.** If any provision of the Agreement is finally judged by any court to be invalid, then the remaining provisions shall remain in full force and effect and they shall be interpreted, performed, and enforced as if the invalid provision did not appear herein.

Section 5.13 **Matching Funds.** Any matching funds as shown on Page 1 of the Grant Agreement that are required to be obtained and supplied by the Public Entity must either be in the form of (i) cash monies, (ii) legally binding commitments for money, or (iii) equivalent funds or contributions, including equity, which have been or will be used to pay for the Project. The Public Entity shall supply to MnDOT whatever documentation MnDOT may request to substantiate the availability and source of any matching funds.

Section 5.14 **Sources and Uses of Funds.** The Public Entity represents to MnDOT and the Commissioner that the Sources and Uses of Funds Schedule attached as **Exhibit A** accurately shows the total cost of the Project and all of the funds that are available for the completion of the Project. The Public Entity will supply any other information and documentation that MnDOT or the Commissioner may request to support or explain any of the information contained in the Sources and Uses of Funds Schedule. If any of the funds shown in the Sources and Uses of Funds Schedule have conditions precedent to the release of such funds, the Public Entity must provide to MnDOT a detailed description of such conditions and what is being done to satisfy such conditions.

Section 5.15 **Project Completion Schedule.** The Public Entity represents to MnDOT and the Commissioner that the Project Completion Schedule attached as **Exhibit B** correctly and accurately sets forth the projected schedule for the completion of the Project.

Section 5.16 **Public Entity Tasks.** Any tasks that the Agreement imposes upon the Public Entity may be performed by such other entity as the Public Entity may select or designate, provided that the failure of such other entity to perform said tasks shall be deemed to be a failure to perform by the Public Entity.

Section 5.17 **Data Practices.** The Public Entity agrees with respect to any data that it possesses regarding the G.O. Grant or the Project to comply with all of the provisions and restrictions contained in the Minnesota Government Data Practices Act contained in Minnesota Statutes Chapter 13, as such may subsequently be amended or replaced from time to time.

Section 5.20 **Antitrust Claims.** The Public Entity hereby assigns to MnDOT and the Commissioner of MMB all claims it may have for over charges as to goods or services provided with respect to the Project that arise under the antitrust laws of the State of Minnesota or of the United States of America.

Section 5.21 **Prevailing Wages.** The Public Entity agrees to comply with all of the applicable provisions contained in Minnesota Statutes Chapter 177, and specifically those provisions contained in Minn. Stat. Secs. 177.41 through 177.435 as they may be amended or replaced from time to time with respect to the Project. By agreeing to this provision, the Public Entity is not acknowledging or agreeing that the cited provisions apply to the Project.

Section 5.22 **Entire Agreement.** The Agreement and all of the exhibits attached thereto embody the entire agreement between the Public Entity and MnDOT, and there are no other agreements, either oral or written, between the Public Entity and MnDOT on the subject matter hereof.

Section 5.23 **E-Verification.** The Public Entity agrees and acknowledges that it is aware of Governor's Executive Order 08-01 regarding e-verification of employment of all newly hired employees to confirm that such employees are legally entitled to work in the United States, and that it will, if and when applicable, fully comply with such order.

Section 2.08 **Remedies.** Upon the occurrence of an Event of Default and at any time thereafter until such Event of Default is cured to the satisfaction of MnDOT, MnDOT or the Commissioner may enforce any or all of the following remedies.

- A. MnDOT may refrain from disbursing the LRIP Grant; provided, however, MnDOT may make such disbursements after the occurrence of an Event of Default without waiving its rights and remedies hereunder.
- B. If the Event of Default involves a sale of the Public Entity's interest in the Real Property in violation of Minn. Stat. Sec. 16A.695 or the Commissioner's Order, the Commissioner, as a third party beneficiary of the Agreement, may require that the Public Entity pay the amounts that would have been paid if there had been compliance with such provisions. For other Events of Default, the Commissioner may require that the Outstanding Balance of the LRIP Grant be returned to it.
- C. Either MnDOT or the Commissioner, as a third party beneficiary of the Agreement, may enforce any additional remedies it may have in law or equity.

The rights and remedies specified herein are cumulative and not exclusive of any rights or remedies that MnDOT or the Commissioner would otherwise possess.

If the Public Entity does not repay the amounts required to be paid under this Section or under any other provision contained herein within 30 days of demand by the Commissioner, or any amount ordered by a court of competent jurisdiction within 30 days of entry of judgment against the Public Entity and in favor of MnDOT and/or the Commissioner, then such amount may, unless precluded by law, be offset against any aids or other monies that the Public Entity is entitled to receive from the State of Minnesota.

Section 2.09 **Notification of Event of Default.** The Public Entity shall furnish to MnDOT and the Commissioner, as soon as possible and in any event within seven (7) days after it has obtained knowledge of the occurrence of each Event of Default, a statement setting forth details of each Event of Default and the action which the Public Entity proposes to take with respect thereto.

Section 2.10 **Effect of Event of Default.** The Agreement shall survive Events of Default and remain in full force and effect, even upon full disbursement of the LRIP Grant, and shall only be terminated under the circumstances set forth in Section 2.11.

Section 2.11 **Termination of Agreement and Modification of LRIP Grant.**

A. If the Project is not started within five (5) years after the effective date of the Agreement or the LRIP Grant has not been disbursed within four (4) years after the date the Project was started, MnDOT's obligation to fund the LRIP Grant shall terminate. In such event, (i) if none of the LRIP Grant has been disbursed by such date, MnDOT shall have no obligation to fund the LRIP Grant and the Agreement will terminate, and (ii) if some but not all of the LRIP Grant has been disbursed by such date, MnDOT shall have no further obligation to provide any additional funding for the LRIP Grant and the Agreement shall remain in force but shall be modified to reflect the amount of the LRIP Grant that was actually disbursed and the Public Entity is still obligated to complete the Project by the Completion Date.

B. The Agreement shall terminate upon the Public Entity's sale of its interest in the Real Property and transmittal of the required portion of the proceeds of the sale to the Commissioner in compliance with Minn. Stat. Sec. 16A.695 and the Commissioner's Order, or upon the termination of the Public Entity's ownership interest in the Real Property if such ownership interest is an easement.

Article III
COMPLIANCE WITH MINN. STAT. SEC. 16A.695
AND THE COMMISSIONER'S ORDER

Section 3.01 **State Bond Financed Property.** The Public Entity acknowledges that its interest in the Real Property is, or when acquired by it will be, "state bond financed property", as such term is used in Minn. Stat. Sec. 16A.695 and the Commissioner's Order and, therefore, the provisions contained in such statute and order apply, or will apply, to its interest in the Real Property, even if the LRIP Grant will only pay for a portion of the Project.

Section 3.02 **Preservation of Tax Exempt Status.** In order to preserve the tax-exempt status of the G.O. Bonds, the Public Entity agrees as follows:

- A. It will not use the Real Property or use or invest the LRIP Grant or any other sums treated as "bond proceeds" under Section 148 of the Code (including "investment proceeds," "invested sinking funds" and "replacement proceeds") in such a manner as to cause the G.O. Bonds to be classified as "arbitrage bonds" under Code Section 148.
- B. It will deposit and hold the LRIP Grant in a segregated non-interest-bearing account until such funds are used for payments for the Project.
- C. It will, upon written request, provide the Commissioner all information required to satisfy the informational requirements set forth in the Code, including Sections 103 and 148, with respect to the G.O. Bonds.

- D. It will, upon the occurrence of any act or omission by the Public Entity that could cause the interest on the G.O. Bonds to no longer be tax exempt and upon direction from the Commissioner, take such actions and furnish such documents as the Commissioner determines to be necessary to ensure that the interest to be paid on the G.O. Bonds is exempt from federal taxation, which such action may include: (i) compliance with proceedings intended to classify the G.O. Bonds as a “qualified bond” within the meaning of Code Section 141(e), or (ii) changing the nature of the use of the Real Property so that none of the net proceeds of the G.O. Bonds will be deemed to be used, directly or indirectly, in an “unrelated trade or business” or for any “private business use” within the meaning of Code Sections 141(b) and 145(a).
- E. It will not otherwise use any of the LRIP Grant or take, permit or cause to be taken, or omit to take, any action that would adversely affect the exemption from federal income taxation of the interest on the G.O. Bonds, and if it should take, permit or cause to be taken, or omit to take, as appropriate, any such action, it shall take all lawful actions necessary to correct such actions or omissions promptly upon obtaining knowledge thereof.

Section 3.03 **Changes to G.O. Compliance Legislation or the Commissioner’s Order.** If Minn. Stat. Sec. 16A.695 or the Commissioner’s Order is amended in a manner that reduces any requirement imposed against the Public Entity, or if the Public Entity’s interest in the Real Property becomes exempted from Minn. Stat. Sec. 16A.695 and the Commissioner’s Order, then upon written request by the Public Entity, MnDOT shall execute an amendment to the Agreement to implement such amendment or exempt the Public Entity’s interest in the Real Property from Minn. Stat. Sec. 16A.695 and the Commissioner’s Order.

Article IV DISBURSEMENT OF GRANT PROCEEDS

Section 4.01 **The Advances.** MnDOT agrees, on the terms and subject to the conditions set forth herein, to make Advances of the LRIP Grant to the Public Entity from time to time in an aggregate total amount not to exceed the amount of the LRIP Grant. If the amount of LRIP Grant that MnDOT cumulatively disburses hereunder to the Public Entity is less than the amount of the LRIP Grant delineated in Section 1.01, then MnDOT and the Public Entity shall enter into and execute whatever documents MnDOT may request in order to amend or modify this Agreement to reduce the amount of the LRIP Grant to the amount actually disbursed. Provided, however, in accordance with the provisions contained in Section 2.11, MnDOT’s obligation to make Advances shall terminate as of the dates specified in Section 2.11 even if the entire LRIP Grant has not been disbursed by such dates.

Advances shall only be for expenses that (i) are for those items of a capital nature delineated in Source and Use of Funds that is attached as **Exhibit A**, (ii) accrued no earlier than the effective date of the legislation that appropriated the funds that are used to fund the LRIP Grant, or (iii) have otherwise been consented to, in writing, by the Commissioner.

It is the intent of the parties hereto that the rate of disbursement of the Advances shall not exceed the rate of completion of the Project or the rate of disbursement of the matching funds required, if any, under Section 5.13. Therefore, the cumulative amount of all Advances disbursed by the State Entity at any point in time shall not exceed the portion of the Project that has been completed and the percentage of the matching funds required, if any, under Section 5.13 that have been disbursed as of such point in time. This requirement is expressed by way of the following two formulas:

Formula #1:

Cumulative Advances \leq (Program Grant) \times (percentage of matching funds, if any, required under Section 5.13 that have been disbursed)

Formula #2:

Cumulative Advances \leq (Program Grant) \times (percentage of Project completed)

Section 4.02 **Draw Requisitions.** Whenever the Public Entity desires a disbursement of a portion of the LRIP Grant the Public Entity shall submit to MnDOT a Draw Requisition duly executed on behalf of the Public Entity or its designee. Each Draw Requisition with respect to construction items shall be limited to amounts equal to: (i) the total value of the classes of the work by percentage of completion as approved by the Public Entity and MnDOT, plus (ii) the value of materials and equipment not incorporated in the Project but delivered and suitably stored on or off the Real Property in a manner acceptable to MnDOT, less (iii) any applicable retainage, and less (iv) all prior Advances.

Notwithstanding anything herein to the contrary, no Advances for materials stored on or off the Real Property will be made by MnDOT unless the Public Entity shall advise MnDOT, in writing, of its intention to so store materials prior to their delivery and MnDOT has not objected thereto.

At the time of submission of each Draw Requisition, other than the final Draw Requisition, the Public Entity shall submit to MnDOT such supporting evidence as may be requested by MnDOT to substantiate all payments which are to be made out of the relevant Draw Requisition or to substantiate all payments then made with respect to the Project.

The final Draw Requisition shall not be submitted before completion of the Project, including any correction of material defects in workmanship or materials (other than the completion of punch list items). At the time of submission of the final Draw Requisition the Public Entity shall submit to MnDOT: (i) such supporting evidence as may be requested by MnDOT to substantiate all payments which are to be made out of the final Draw Requisition or to substantiate all payments then made with respect to the Project, and (ii) satisfactory evidence that all work requiring inspection by municipal or other governmental authorities having jurisdiction has been duly inspected and approved by such authorities and that all requisite certificates and other approvals have been issued.

If on the date an Advance is desired the Public Entity has complied with all requirements of this Agreement and MnDOT approves the relevant Draw Requisition, then MnDOT shall disburse the amount of the requested Advance to the Public Entity.

Section 4.03 **Additional Funds.** If MnDOT shall at any time in good faith determine that the sum of the undisbursed amount of the LRIP Grant plus the amount of all other funds committed to the Project is less than the amount required to pay all costs and expenses of any kind which reasonably may be anticipated in connection with the Project, then MnDOT may send written notice thereof to the Public Entity specifying the amount which must be supplied in order to provide sufficient funds to complete the Project. The Public Entity agrees that it will, within 10 calendar days of receipt of any such notice, supply or have some other entity supply the amount of funds specified in MnDOT's notice.

Section 4.04 **Condition Precedent to Any Advance.** The obligation of MnDOT to make any Advance hereunder (including the initial Advance) shall be subject to the following conditions precedent:

- A. MnDOT shall have received a Draw Requisition for such Advance specifying the amount of funds being requested, which such amount when added to all prior requests for an Advance shall not exceed the amount of the LRIP Grant set forth in Section 1.01.

- B. No Event of Default under this Agreement or event which would constitute an Event of Default but for the requirement that notice be given or that a period of grace or time elapse shall have occurred and be continuing.
- C. No determination shall have been made by MnDOT that the amount of funds committed to the Project is less than the amount required to pay all costs and expenses of any kind that may reasonably be anticipated in connection with the Project, or if such a determination has been made and notice thereof sent to the Public Entity under Section 4.03, then the Public Entity has supplied, or has caused some other entity to supply, the necessary funds in accordance with such section or has provided evidence acceptable to MnDOT that sufficient funds are available.
- D. The Public Entity has supplied to MnDOT all other items that MnDOT may reasonably require.

Section 4.05 **Processing and Disbursement of Advances.** The Public Entity acknowledges and agrees as follows:

- A. Advances are not made prior to completion of work performed on the Project.
- B. All Advances are processed on a reimbursement basis.
- C. The Public Entity must first document expenditures to obtain an Advance.
- D. Reimbursement requests are made on a partial payment basis or when the Project is completed.
- E. All payments are made following the “Delegated Contract Process or State Aid Payment Request” as requested and approved by the appropriate district state aid engineer.

Section 4.06 **Construction Inspections.** The Public Entity shall be responsible for making its own inspections and observations regarding the completion of the Project, and shall determine to its own satisfaction that all work done or materials supplied have been properly done or supplied in accordance with all contracts that the Public Entity has entered into regarding the completion of the Project.

Article V MISCELLANEOUS

Section 5.01 **Insurance.** If the Public Entity elects to maintain general comprehensive liability insurance regarding the Real Property, then the Public Entity shall have MnDOT named as an additional named insured therein.

Section 5.02 **Condemnation.** If, after the Public Entity has acquired the ownership interest set forth in Section 2.02, all or any portion of the Real Property is condemned to an extent that the Public Entity can no longer comply with Section 2.04, then the Public Entity shall, at its sole option, either: (i) use the condemnation proceeds to acquire an interest in additional real property needed for the Public Entity to continue to comply with Section 2.04 and to provide whatever additional funds that may be needed for such purposes, or (ii) submit a request to MnDOT and the Commissioner to allow it to sell the remaining portion of its interest in the Real Property. Any condemnation proceeds which are not used to acquire an interest in additional real property shall be applied in accordance with Minn. Stat. Sec.

16A.695 and the Commissioner's Order as if the Public Entity's interest in the Real Property had been sold. If the Public Entity elects to sell its interest in the portion of the Real Property that remains after the condemnation, such sale must occur within a reasonable time period after the date the condemnation occurred and the cumulative sum of the condemnation and sale proceeds applied in accordance with Minn. Stat. Sec. 16A.695 and the Commissioner's Order.

If MnDOT receives any condemnation proceeds referred to herein, MnDOT agrees to or pay over to the Public Entity all of such condemnation proceeds so that the Public Entity can comply with the requirements of this Section.

Section 5.03 Use, Maintenance, Repair and Alterations. The Public Entity shall not, without the written consent of MnDOT and the Commissioner, (i) permit or allow the use of any of the Real Property for any purpose other than the purposes specified in Section 2.04, (ii) substantially alter any of the Real Property except such alterations as may be required by laws, ordinances or regulations, or such other alterations as may improve the Real Property by increasing its value or which improve its ability to be used for the purposes set forth in Section 2.04, (iii) take any action which would unduly impair or depreciate the value of the Real Property, (iv) abandon the Real Property, or (v) commit or permit any act to be done in or on the Real Property in violation of any law, ordinance or regulation.

If the Public Entity fails to maintain the Real Property in accordance with this Section, MnDOT may perform whatever acts and expend whatever funds necessary to so maintain the Real Property, and the Public Entity irrevocably authorizes MnDOT to enter upon the Real Property to perform such acts as may be necessary to so maintain the Real Property. Any actions taken or funds expended by MnDOT shall be at its sole discretion, and nothing contained herein shall require MnDOT to take any action or incur any expense and MnDOT shall not be responsible, or liable to the Public Entity or any other entity, for any such acts that are performed in good faith and not in a negligent manner. Any funds expended by MnDOT pursuant to this Section shall be due and payable on demand by MnDOT and will bear interest from the date of payment by MnDOT at a rate equal to the lesser of the maximum interest rate allowed by law or 18% per year based upon a 365-day year.

Section 5.04 Recordkeeping and Reporting. The Public Entity shall maintain books and records pertaining to Project costs and expenses needed to comply with the requirements contained herein, Minn. Stat. Sec. 16A.695, the Commissioner's Order, and Minn. Stat. Sec. 174.52 and all rules related thereto, and upon request shall allow MnDOT, its auditors, the Legislative Auditor for the State of Minnesota, or the State Auditor for the State of Minnesota, to inspect, audit, copy, or abstract all of such items. The Public Entity shall use generally accepted accounting principles in the maintenance of such items, and shall retain all of such books and records for a period of six years after the date that the Project is fully completed and placed into operation.

Section 5.05 Inspections by MnDOT. The Public Entity shall allow MnDOT to inspect the Real Property upon reasonable request by MnDOT and without interfering with the normal use of the Real Property.

Section 5.06 Liability. The Public Entity and MnDOT agree that each will be responsible for its own acts and the results thereof to the extent authorized by law, and neither shall be responsible for the acts of the other party and the results thereof. The liability of MnDOT and the Commissioner is governed by the provisions of Minn. Stat. Sec. 3.736. If the Public Entity is a "municipality" as that term is used in Minn. Stat. Chapter 466, then the liability of the Public Entity is governed by the provisions of Chapter 466. The Public Entity's liability hereunder shall not be limited to the extent of insurance carried by or provided by the Public Entity, or subject to any exclusion from coverage in any insurance policy.

Section 5.07 **Relationship of the Parties.** Nothing contained in the Agreement is to be construed as establishing a relationship of co-partners or joint venture among the Public Entity, MnDOT, or the Commissioner, nor shall the Public Entity be considered to be an agent, representative, or employee of MnDOT, the Commissioner, or the State of Minnesota in the performance of the Agreement or the Project.

No employee of the Public Entity or other person engaging in the performance of the Agreement or the Project shall be deemed have any contractual relationship with MnDOT, the Commissioner, or the State of Minnesota and shall not be considered an employee of any of those entities. Any claims that may arise on behalf of said employees or other persons out of employment or alleged employment, including claims under the Workers' Compensation Act of the State of Minnesota, claims of discrimination against the Public Entity or its officers, agents, contractors, or employees shall in no way be the responsibility of MnDOT, the Commissioner, or the State of Minnesota. Such employees or other persons shall not require nor be entitled to any compensation, rights or benefits of any kind whatsoever from MnDOT, the Commissioner, or the State of Minnesota, including tenure rights, medical and hospital care, sick and vacation leave, disability benefits, severance pay and retirement benefits.

Section 5.08 **Notices.** In addition to any notice required under applicable law to be given in another manner, any notices required hereunder must be in writing and personally served or sent by prepaid, registered, or certified mail (return receipt requested), to the address of the party specified below or to such different address as may in the future be specified by a party by written notice to the others:

Section 5.09 **Assignment or Modification.** Neither the Public Entity nor MnDOT may assign any of its rights or obligations under the Agreement without the prior written consent of the other party.

Section 5.10 **Waiver.** Neither the failure by the Public Entity, MnDOT, or the Commissioner, as a third party beneficiary of the Agreement, in one or more instances to insist upon the complete observance or performance of any provision hereof, nor the failure of the Public Entity, MnDOT, or the Commissioner to exercise any right or remedy conferred hereunder or afforded by law shall be construed as waiving any breach of such provision or the right to exercise such right or remedy thereafter. In addition, no delay by any of the Public Entity, MnDOT, or the Commissioner in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude other or further exercise thereof or the exercise of any other right or remedy.

Section 5.11 **Choice of Law and Venue.** All matters relating to the validity, interpretation, performance, or enforcement of the Agreement shall be determined in accordance with the laws of the

State of Minnesota. All legal actions arising from any provision of the Agreement shall be initiated and venued in the State of Minnesota District Court located in St. Paul, Minnesota.

Section 5.12 **Severability.** If any provision of the Agreement is finally judged by any court to be invalid, then the remaining provisions shall remain in full force and effect and they shall be interpreted, performed, and enforced as if the invalid provision did not appear herein.

Section 5.13 **Matching Funds.** Any matching funds as shown on Page 1 of the Grant Agreement that are required to be obtained and supplied by the Public Entity must either be in the form of (i) cash monies, (ii) legally binding commitments for money, or (iii) equivalent funds or contributions, including equity, which have been or will be used to pay for the Project. The Public Entity shall supply to MnDOT whatever documentation MnDOT may request to substantiate the availability and source of any matching funds.

Section 5.14 **Sources and Uses of Funds.** The Public Entity represents to MnDOT and the Commissioner that the Sources and Uses of Funds Schedule attached as **Exhibit A** accurately shows the total cost of the Project and all of the funds that are available for the completion of the Project. The Public Entity will supply any other information and documentation that MnDOT or the Commissioner may request to support or explain any of the information contained in the Sources and Uses of Funds Schedule. If any of the funds shown in the Sources and Uses of Funds Schedule have conditions precedent to the release of such funds, the Public Entity must provide to MnDOT a detailed description of such conditions and what is being done to satisfy such conditions.

Section 5.15 **Project Completion Schedule.** The Public Entity represents to MnDOT and the Commissioner that the Project Completion Schedule attached as **Exhibit B** correctly and accurately sets forth the projected schedule for the completion of the Project.

Section 5.16 **Public Entity Tasks.** Any tasks that the Agreement imposes upon the Public Entity may be performed by such other entity as the Public Entity may select or designate, provided that the failure of such other entity to perform said tasks shall be deemed to be a failure to perform by the Public Entity.

Section 5.17 **Data Practices.** The Public Entity agrees with respect to any data that it possesses regarding the G.O. Grant or the Project to comply with all of the provisions and restrictions contained in the Minnesota Government Data Practices Act contained in Minnesota Statutes Chapter 13, as such may be amended or replaced from time to time.

Section 5.18 **Non-Discrimination.** The Public Entity agrees to not engage in discriminatory employment practices regarding the Project and it shall fully comply with all of the provisions contained in Minnesota Statutes Chapters 363A and 181, as they may subsequently be amended or replaced from time to time.

Section 5.19 **Worker's Compensation.** The Public Entity agrees to comply with all of the provisions relating to worker's compensation contained in Minn. Stat. Secs. 176.181 subd. 2 and 176.182, as they may be amended or replaced from time to time, with respect to the Project.

Section 5.20 **Antitrust Claims.** The Public Entity hereby assigns to MnDOT and the Commissioner of MMB all claims it may have for over charges as to goods or services provided with respect to the Project that arise under the antitrust laws of the State of Minnesota or of the United States of America.

Section 5.21 **Prevailing Wages.** The Public Entity agrees to comply with all of the applicable provisions contained in Minnesota Statutes Chapter 177, and specifically those provisions contained in Minn. Stat. Secs. 177.41 through 177.435, as they may be amended or replaced from time to time with respect to the Project. By agreeing to this provision, the Public Entity is not acknowledging or agreeing that the cited provisions apply to the Project.

Section 5.22 **Entire Agreement.** The Agreement and all of the exhibits attached thereto embody the entire agreement between the Public Entity and MnDOT, and there are no other agreements, either oral or written, between the Public Entity and MnDOT on the subject matter hereof.

Section 5.23 **E-Verification.** The Public Entity agrees and acknowledges that it is aware of Governor's Executive Order 08-01 regarding e-verification of employment of all newly hired employees to confirm that such employees are legally entitled to work in the United States, and that it will, if and when applicable, fully comply with such order.
