ROGOSHESKE ASKS FOR GESTAPO

LAST WEEK THE GOVERNOR'S COMMITTEE RELEASED ITS REPORT. THEY RECOMMEND—

1. State Police by means of enlarging highway patrol and giving it general police powers.
2. State control over local police and sheriffs.
3. Require all places selling 3.2 beer to quit selling soft drinks, candy, food, and ice cream unless it is sold in a completely separate room.

ONE OF THE MEMBERS OF THIS "GOVERNOR'S LAW ENFORCEMENT COMMITTEE" IS OUR OWN BENTON COUNTY REPRESENTATIVE WALTER ROGOSHESKE.

IT LOOKS LIKE HE WON'T BE SATISFIED UNTIL WE ARE ALL IN JAIL OR UNTIL THE STATE IS OPERATED UNDER PROHIBITION AND BLUE LAWS.

DO YOU WANT THIS?

THIS IS WHAT ROGOSHESKE IS RECOMMENDING!

Use your vote to stop this man from returning to the 1949 legislature!

WHY ELECT A MAN WHO IS SELLING BENTON COUNTY PEOPLE DOWN THE RIVER? WE FOUGHT A WAR TO DEFEAT THIS KIND OF GOVERNMENT!

(Prepared and issued by United Veterans' Committee)
