EXECUTIVE ORDER NO. 102
Assigning Emergency Responsibilities to State Agencies

I, Wendell R. Anderson, Governor of the State of Minnesota, by virtue of the authority vested in me by the Constitution and applicable statutes, hereby issue this Executive Order:

WHEREAS, Natural Disasters and Industrial Accidents may occur in any part of the State; and,

WHEREAS, potential enemies of the United States have the capability to attack this State and the United States; and,

WHEREAS, State government departments and agencies are responsible for providing assistance to Local government before, during, and following a disaster; and,

WHEREAS, certain assignments of disaster responsibilities have previously been made by Executive Order, and,

WHEREAS, current concepts in disaster procedures necessitate changes in established plans:

NOW, THEREFORE, I order that:

1. All previous Executive Orders making assignments of emergency and disaster responsibilities are hereby rescinded.

2. Each department, independent division, bureau, board, commission, and independent institution of the State government, hereinafter referred to as agencies, shall prepare and disseminate to all employees appropriate plans and instructions for:
   a. The protection of personnel, equipment, supplies, and public records in a disaster.
   b. The carrying on of such of its normal services as may be needed in a disaster.
   c. Carrying out the emergency assignments made by this Order.

3. The responsibility for emergency planning shall rest with the head of each agency. Draft copies of completed plans shall be submitted to the Director, Division of Emergency Services, Department of Public Safety, for review and coordination.
4. Each agency assigned specific disaster responsibilities shall assign competent personnel of the agency to develop necessary emergency plans and to staff the State and Area Emergency Operating Centers and Assistance Centers. These personnel shall be available for planning, training, and operations and are authorized time off or compensation for services outside regular working hours as the head of the agency may direct.

5. The assignments of agencies for other than war caused emergencies are made in Appendix 1 of this Order. These assignments anticipate the need to provide assistance to specific areas of the State affected by disaster. The assignments for a war caused emergency are made in Appendix 2 of this Order. These assignments are based on the need for complete mobilization of all of the State's resources in such a disaster.

This Order shall be effective on April 7, 1975.

IN TESTIMONY WHEREOF, I hereunto set my hand on this 7th day of April, 1975.

PART I - DEPARTMENT OF PUBLIC SAFETY

DIVISION OF EMERGENCY SERVICES

Section 1-101 The Division of Emergency Services shall monitor operations of the State portion of the National Warning System and coordinate any actions determined to be necessary to maintain service or extend coverage within the State.

Section 1-102 Either directly or through its Area Commanders, the Division shall assist local communities that desire to construct flood protection works in completing all prerequisite actions and obtain concurrence of the Department of Natural Resources, Department of Highways, and Pollution Control Agency in any project before requesting technical and construction assistance from the U. S. Army Corps of Engineers.

Section 1-103 Natural disaster assistance training and education requirements shall be coordinated by the Division with the agency conducting the training. These needs shall be reflected in the guidance provided to the training agencies concerning the courses desired and their content.

Section 1-104 The Division shall establish an emergency procedure for receiving notification of any type of disaster within the State and alerting State agencies to respond to these disasters.

Section 1-105 When a major natural disaster threatens or has occurred, the Division shall activate the State Emergency Operating Center. Area Commanders shall establish an Emergency Operating Center in or adjacent to the disaster area, as required, to coordinate field operations. The Division shall notify State agencies with responsibilities in emergency operations when the State and/or Area Emergency Operating Centers are or will be activated in order that they may provide staff.

Section 1-106 Once a determination has been made after a Presidential Declaration of a Major Disaster to establish Disaster Assistance Centers, the Division, in conjunction with the State Coordinating Officer, shall assist in notifying the State agencies that will provide representatives to the Center to deal directly with the needs of individual victims and in coordinating their activities thereafter.
The Division of Emergency Services, in conjunction with the State Coordinating Officer, shall assist political subdivisions in preparing and processing project applications for Federal assistance in repairing and restoring essential public facilities.

Initial estimates of the damage caused by a Natural Disaster shall be gathered by the Division of Emergency Services.

The Division shall notify the Adjutant General when the staff of other State agencies are involved in disaster operations.

The Division shall administer the Individual and Family Grant Program as provided under Public Law 93-288.

The Division and/or the State Coordinating Officer shall be responsible for the review and coordination of the emergency operating plans of the agencies given assignments by this order. A current copy of these plans in the form of Standing Operating Procedures will be filed at the State Emergency Operating Center.

**CRIMINAL APPREHENSION DIVISION**

The Division shall be responsible for the dissemination of weather warnings over the Minnesota Law Enforcement Tele-type Network.

The Division will provide support to the State Patrol in assisting local government in traffic control and law enforcement in a disaster.

**FIRE MARSHAL DIVISION**

The Division will assist local government in planning for emergency rescue operations and fire protection and obtaining fire fighting and rescue assistance in an emergency.

**STATE PATROL DIVISION**

The State Patrol is responsible for Law Enforcement and Traffic Control on all Interstate and State Trunk Highways in an emergency.

The Division shall assist local police agencies in Law Enforcement and Traffic Control when requested by proper authority to do so.
The State Patrol shall act as Net Control for the National Warning System (NAWAS) within the State for the dissemination of severe weather warnings.

PART II - DEPARTMENT OF ADMINISTRATION

The Department shall participate in planning Statewide communications systems and provide coordination, as necessary, during a disaster for these telecommunications systems.

The Department shall provide engineers to prepare damage survey reports of public buildings damaged by disaster.

PART III - DEPARTMENT OF AERONAUTICS

The use of aircraft for transportation in an emergency and for search in aircraft accidents will be coordinated by the Department of Aeronautics. The Department will establish restricted flight over disaster areas when requested by the State Division of Emergency Services or other appropriate authority.

PART IV - DEPARTMENT OF AGRICULTURE

The Department shall provide guidance for the use of agricultural land and crops affected by natural disaster or peacetime accidents or incidents.

The Department, with the assistance of the Minnesota Livestock Sanitary Board, shall provide guidance for the use of farm animals affected by natural disaster or peacetime accidents or incidents involving hazardous chemicals.

The Department will coordinate food service activities with Federal and State agencies having responsibilities for food resources in an emergency, specifically food inspection, coordinating with hotel and restaurant inspection in mass feeding facilities.

PART V - DEPARTMENT OF COMMERCE

The Insurance Division of the Department shall develop a plan to provide for representation at such assistance centers as deemed necessary by the State Division of Emergency Services Director to furnish information
relative to insurance claim procedures to persons affected by the disaster.

Section 1-502
The Consumer Services Section shall provide for representation at such assistance centers as deemed necessary by the State Division of Emergency Services Director to provide consumer information to disaster victims.

PART VI - DEPARTMENT OF EDUCATION

Section 1-601
The Department shall encourage and assist school districts throughout the State in preparing plans for the protection of school children in an emergency. These plans shall include the training of the staff in disaster operations, teaching survival techniques to students, shelter facilities in schools, and techniques for sheltering students or evacuating them to their homes.

Section 1-602
When public elementary or secondary school facilities have been damaged or destroyed by a major disaster, the Department shall assist local educational agencies in preparing and submitting a request for a financial assistance grant from the Federal government under the provisions of Public Law 81-815 or Public Law 81-874 as appropriate.

PART VII - DEPARTMENT OF HEALTH

Section 1-701
The Department shall provide medical training courses for the general public and for specialized groups involved in emergency care.

Section 1-702
The Department shall coordinate the development of a Statewide emergency medical services communications system.

Section 1-703
