

## STATE BOARD OF ELECTRICITY

### Proposed Repeal of Permanent Rules Relating to Duplicate Rules

#### Statement of Need and Reasonableness

#### MINNESOTA RULES PARTS 3800.17 through 3800.2600.

The Rules proposed and published at State Register pages 21,028 to 21,041 March 6, 1989 and adopted and published at the State Register Volume 14 Number 10, pages 505 through 508, parts 3800.1700 to 3800.2600 are duplicated as parts 3800.3800, 3800.3810, 3800.3660, 3800.3670, 3800.3680, 3800.3700, 3800.3610, 3800.3640, 3800.3650, 3800.3740. Parts 3800.17 through 3800.2600 are repealed.

#### SMALL BUSINESS CONSIDERATIONS IN RULEMAKING

Most of the businesses regulated by the Board are small business. The Board estimates that 80 percent of all licensed electrical contractors are small businesses within the meaning of Minn. Stat. § 14.115 (1988).

The proposed rule would have no effect on small businesses whatsoever as the Board is repealing duplicate numbered rules only.
