## **Introduction**

Minnesota Session Laws 2001, 1<sup>st</sup> Special Session, Chapter 8, Article 5, Section 20 mandates that each chief of police and sheriff shall submit to the Superintendent of the Bureau of Criminal apprehension the following summary data related to applications for permits to carry pistols under Minnesota Statutes, section 624.714, for the preceding calendar year:

- (1) the number of applications received
- (2) the number of permits granted
- (3) the reasons given by the applicants for seeking the permits
- (4) the number of permits denied and the specific reason for each denial
- (5) the number of permits issued by the chief or sheriff that are valid as of December 31 of the preceding year; and
- (6) the number of convictions and types of crimes committed since the previous report, and in total, by individuals with permits to carry, including data as to whether a firearm lawfully carried solely by virtue of a permit to carry was actually used in furtherance of the crime.

Data collected for calendar year 2001 will be reported on February 15, 2002 and data collected for 2002 will be reported on February 15, 2003.

This report is a summary of the data reported by the chiefs of police and sheriffs.

## **Background**

Local law enforcement agencies were notified of the new reporting requirement by letter (Attachment A). The BCA created a web site that allowed agencies to download a copy of the reporting form for mailing to the BCA or to report their summary data on-line. The information collected was sent out to data entry services.

## ATTACHMENT A

October 26, 2001

Chief/Sheriffs:

In light of recent legislation, there is a new data collection requirement for permits to carry that was signed into effect August 1, 2001. This new data collection requires each chief and sheriff to report annually to the Superintendent of the Bureau of Criminal Apprehension, specified data relating to applications for permits to carry pistols. The Superintendent must then report a summary of the data received annually to the chairs of the Senate and House committees with jurisdiction over criminal justice policy.

Currently, Minnesota State Statute 624.714 requires applicants for permits to carry to complete the standard *Minnesota Uniform Firearm Application/Receipt* at their local police or sheriff department.

On **January 15, 2002**, each chief of police and sheriff must report summary information to the BCA for the timeframe of **January 1, 2001 through December 31, 2001**. Additionally, on January 15, 2003, each law enforcement agency must report summary information to the BCA for the timeframe of January 1, 2002 through December 31, 2002.

The BCA is currently developing procedures that we will provide to each law enforcement agency, identifying the process for collecting this required information. Provided will be the actual summary form that must be submitted to the BCA in addition to the method of submitting the information. The BCA is currently working with the Chiefs' Association and Sheriffs' Association to define the summary form that will be required. Once the summary form is available, a copy of it will be sent to each law enforcement agency.

It is important that you are aware of the requirements placed upon your department and that you begin to prepare for the collection of this data at your agency.

If you have any questions or concerns please contact Kathy Leatherman at (651) 603-0121.

Sincerely yours,

A handwritten signature in black ink that reads "Michael W. Campion". The signature is written in a cursive, slightly slanted style.
