RE: Yearly Listing of all Executed Design-Build Contracts

Minnesota Statutes 161.3428 requires the Commissioner of Transportation to submit to the Governor, chairs of the House of Representatives Ways and Means and Senate Finance Committees, the chairs of the House of Representatives and Senate committees with jurisdiction over transportation policy and finance, and the legislative reference library, a yearly listing of all executed design-build contracts. The report must identify the contractor, contract amount, duration, and services to be provided. The list and summary must be sorted by contractor; show the aggregate value of contracts, and state the termination date of each contract.

Since September 1, 2004, the Minnesota Department of Transportation executed two design-build contracts.

Project	Contractor	Aggregate Value	Final Acceptance Date
TH 10/32 (Clay County)	Duininck Bros. Inc.	\$8,632,001.00	June 6, 2006
TH 212 (Hennepin and Carver Counties)	Zumbro River Constructors	\$237,893,000.00	October 30, 2008

If you have questions, please feel free to contact Joe Gladke, Mn/DOT Design-Build Program manager at 651-296-3283 about these design-build projects.

Sincerely,

Carol Molnau
Lt. Governor/Commissioner
