

Agency Purpose

The attorney general is the chief legal officer for the state of Minnesota. The duties of the office arise from the Constitution, state statutes, and common law. Every board, commission, and agency of the state of Minnesota receives legal counsel and representation from the attorney general. The attorney general also acts in a *parens patriae* capacity on behalf of the people of the state. Minnesota's attorney general is elected by the state's voters and serves a four-year term.
