MEMORANDUM

Date: December 2, 2008

TO: Susan Maki, Real Estate and Construction Management Division
Department of Administration

FROM: Gregory Ewig, Director of Real Estate Services

SUBJECT: Real Estate Inventory as of June 30, 2008

Please accept the Real Estate Inventory as of June 30, 2008, for the Minnesota State Colleges and Universities system (MnSCU) in satisfaction of Minnesota Statute §16B.245. Attached are spreadsheets of total acreage owned and controlled by MnSCU, which includes Maintained and Non-Maintained Acreage. All MnSCU acreage is being utilized for a public purpose or will be in the future, consistent with campus facilities master plans. This package also includes overall Building Gross Square Footage as of June 30, 2008.

St. Cloud State University has a large acreage tract that qualifies under the classification scheme of Minn. Stat. §86A.05. Their 482.3 acres is managed under an agreement with the Commissioner of Department of Natural Resources.

Revenue Fund buildings (state university residence halls, student unions and other self-supporting facilities) have been included in the FY08 building report as part of overall total square footage.

The overall totals:

Land: 6,901.4 acres

Buildings: 26,065,366 gross square feet

Please contact me at 651-296-3852 or gregory.ewig@so.mnscu.edu if you have any questions regarding the details contained in the reports.
