Report to the Legislature Affirmative Action Report 2008

Submitted January 21, 2009

According to Minnesota Session Laws, 1997, Chapter 239, Article 1, "by July 1... the [POST] board shall report to the chairs of the senate and house divisions having jurisdiction over criminal justice funding on information provided to the board on recruitment information and enrollment statistics from MnSCU institutions that provide the Professional Peace Officer Education."

The twenty-three post-secondary institutions in Minnesota under the MnSCU system that deliver Professional Peace Officer Education (PPOE) are required by *Minnesota Rules*, Chapter 6700.0300, Subpart 6, Section C to annually file an affirmative action plan. This affirmative action plan is to include specific goals and objectives which describe measurable statements of performance for the recruitment and retention of minority students and women in the certified school's PPOE program.

In the year 2007, all of the twenty-three programs made available their affirmative action plan. A summary of the information is attached. Because the actual plans vary greatly in length and format, it is not cost efficient to copy the contents for distribution. To request copies of the material, please contact Margaret Strand at 651.201.7782 or peggy.strand@state.mn.us.
