Registration

Requirements

A candidate or treasurer is required to register a principal campaign committee with the Campaign Finance and Public Disclosure Board (Board):

- within 14 days after receiving contributions or making expenditures in excess of \$100 to influence the candidate's nomination or election, OR

During an election year:

- by the end of the next business day after receiving loans or contributions from any one source totaling \$800 or more between the last day covered in the last report before an election and the election.

Before registering a committee, you must: (1) establish a bank account with the name "Campaign Fund of (name of candidate)," and (2) appoint a committee treasurer and chair (the candidate or another person may serve as both treasurer and chair).

A candidate or treasurer must complete, sign, and file with the Board a [Registration and Statement of Organization](#). The registration form, as well as the public subsidy and economic interest forms noted below, may be downloaded from the Board's Website at www.cfboard.state.mn.us, or you may call the Board office for a copy (651/296-5148 or 800/657-3889).

Public Subsidy (optional)

Around the time of registration, many candidates opt to complete and file with the Board a [Public Subsidy Agreement](#). Under this program, candidates may give receipts to contributors for reimbursement through the Political Contributions Refund program *and* may be eligible to receive payments from the State Elections Campaign Fund. See the sections of this Handbook called [Public Subsidy](#) and [Political Contribution Refund program](#) or contact the Board for more information.

Economic Interest Statement

Within fourteen days after filing an Affidavit of Candidacy or a petition to appear on the ballot with the Secretary of State, a candidate must file a Statement of Economic Interest with the Board.

Record Keeping

Requirements

The treasurer must keep full and accurate records of all receipts and expenditures. A system for recording receipts and expenditures should be maintained to assist in monitoring the aggregate amounts to meet reporting requirements and to comply with contribution and expenditure limits. The Campaign Finance Reporter software provided at no cost by the Board can assist your record keeping and reporting. See the Handbook section called [Campaign Finance Reporter software](#).

Records of monetary receipts

For each receipt in excess of \$20, the treasurer must keep a record of:

- Name and full address of the contributor
- Amount of the contribution
- Date the contribution was received by the committee

Minnesota Campaign Finance & Public Disclosure Board

Handbook for Attorney General Candidates (January 2009)

www.cfboard.state.mn.us 651/296-5148 or 800/657-3889

- Employer of the contributor – if the aggregate contributions from the individual exceed \$100 in a year
- The contributor’s registration number provided by the Board– if the contributor is a lobbyist, principal campaign committee, political committee, political fund, or political party unit.

(Note that, in addition to contributions and loan proceeds received, monetary receipts include interest income and other miscellaneous income.)

Records of monetary expenditures

For each expenditure, disbursement, and contribution made by the committee, the treasurer must keep a record of:

- Name and full address of each vendor to whom payments have been made
- Name, full address, and registration number of each political committee, political fund, principal campaign committee, or political party unit to which contributions have been made
- Date the payment or contribution was made
- Amount of the payment or contribution
- Specific purpose of the expenditure or disbursement (e.g., ads in newspaper)

Expenditures must be categorized as a campaign expenditure or a noncampaign disbursement at the time the payment is made or the item is ordered.

Records of in-kind contributions and approved expenditures

All in-kind contributions and approved expenditures are contributions to the candidate, result in matching expenditures in the same reporting period, and count toward the contribution limits.

The use of each in-kind contribution and approved expenditure must be categorized and recorded as a campaign expenditure or a noncampaign disbursement at the time the in-kind contribution is received or the approved expenditure is made.

Definitions:

In-Kind Contribution: anything of value that is given to and accepted by the committee other than money.

Approved Expenditure: an expenditure made on behalf of a candidate by an entity other than the principal campaign committee of the candidate. These expenditures require that written authorization be given to the donor entity *before an expenditure of more than \$20* may be made on behalf of the candidate. A suggested form for [written authorization](#) is available from the Board.

Campaign Expenditure: a purchase or payment of money or anything of value made, or an advance of credit incurred, or the use of a donation in-kind received, by a principal campaign committee for the purpose of influencing the nomination or election of the candidate.

- Date received by the committee
- Fair market value of goods or services
- Detailed description of the item received or service provided
- Name and full address of each vendor paid by the contributor for the goods or services provided

Public Subsidy

Public Subsidy Agreement

The **Public Subsidy Agreement** is a binding legal document that establishes eligibility for candidates to receive funding from the State Elections Campaign Fund and participate in the Political Contribution Refund program. A candidate with a principal campaign committee registered with the Board may elect to sign and file the agreement at any time after the committee is registered, but not later than September 1 of the election year for the office sought. The Public Subsidy Agreement may not be rescinded once it is signed and filed.

Minnesota Campaign Finance & Public Disclosure Board

Handbook for Attorney General Candidates (January 2009)

www.cfboard.state.mn.us 651/296-5148 or 800/657-3889

Each signed Public Subsidy Agreement applies to an election cycle. For an Attorney General candidate, an agreement signed between January 1, 2007, and September 1, 2010, is effective, with respect to spending and candidate contribution limits, from January 1, 2007, through December 31, 2010.

A candidate who has a registered a principal campaign committee with the Board and who has signed a Public Subsidy Agreement is eligible to participate in the **Political Contribution Refund** program.

Eligibility

A candidate who is **unopposed in both the primary and general elections** is not eligible to receive a public subsidy from the State Election Campaign Fund. The political party account funds that would have gone to the candidate are paid to the candidate's political party.

A candidate who runs in a **special election** may be eligible to receive a public subsidy. Contact the Board office.

Payment of Public Subsidy

Public subsidy is paid to qualifying candidates from two accounts based on the state income tax checkoff: **Party Account** payments which vary among Attorney General candidates based on a statutory formula, and **General Account** payments, which are the same for each candidate for a particular office.

By August 15 of each election year, the Board will notify candidates of the estimated amount of public subsidy available to qualifying candidates. The estimates will also be posted on the Board's Website.

Payments – for deposit in the committee account – are made within two weeks after the primary election. An additional small adjusting payment is made by December 15.

A Candidate Who Signs the Public Subsidy Agreement Agrees to All of these Terms

- To **abide by statutory spending limits** during the election cycle until (1) the principal campaign committee is dissolved, or (2) a writ of special election is signed for the district and office for which the candidate is seeking election, or (3) the Agreement expires – whichever occurs first.
- To **limit your own personal contributions** to your principal campaign committee to \$10,000.
- To **file a valid Affidavit of Contributions** with the Board in order to be eligible to receive funds from the State Elections Campaign Fund.

In order to file an Affidavit of Contributions the candidate must first accumulate *during the election year* for which the Affidavit is filed, contributions from persons eligible to vote in Minnesota in the total amount of at least \$15,000, counting only the first \$50 received from each contributor. These contributions must be accumulated not later than the last day for reporting receipts and expenditures before a primary election.

Minnesota Campaign Finance & Public Disclosure Board

Handbook for Attorney General Candidates (January 2009)

www.cfboard.state.mn.us 651/296-5148 or 800/657-3889

The Affidavit of Contributions is a sworn statement certifying that the candidate's committee has accumulated the required contributions. The Affidavit must be notarized and filed with the Board not later than the last day for reporting receipts and expenditures before a primary election. *Please note that this date is earlier than the last date for signing a Public Subsidy Agreement.*

- To **spend or become obligated to spend at least 50% of the general account public subsidy payment no later than the end of the final reporting period** preceding the general election; and if 50% of the general account is not spent by that date, to return to the Board, no later than six months following the general election, the difference between one-half of the general account public subsidy payment received and the amount of campaign expenditures made by the end of the final reporting period preceding the general election.

The candidate also agrees to **reimburse the Board** for all reasonable costs, including costs of litigation, incurred in collecting any amount due after that date. If a candidate fails to repay general account funds, the Board may not distribute additional funds to the candidate until repayment has been made.

- To **make no independent expenditures.**
- To **return to the Board**, with the [Annual Report of Receipts and Expenditures](#), **the amount of public subsidy received that exceeds actual election year campaign expenditures.**
- To **include closed captioning** for deaf and hard-of-hearing viewers on all professionally produced visual or audio recordings of two minutes or less produced for the purpose of influencing the nomination or election of the candidate by broadcast, cable television, candidate's web site, and radio, or file with the board a statement setting forth the reasons for not doing so before the advertisement is disseminated.

Limitation on the Amount of Public Subsidy

A candidate may not receive more than 50% of the spending limit in public subsidy. See the chart on page 10.

Spending Limits with Public Subsidy Agreement

Limitation on Spending

An Attorney General candidate who signs and files a [Public Subsidy Agreement](#) is bound by the spending limits. The **total** of all monetary campaign expenditures, in-kind and approved campaign expenditures, and unpaid campaign expenditures must not exceed the spending limit.

Base Spending Limit and Adjustments Upward in Certain Circumstances

If the candidate is a **first time candidate** (is running for an office for the first time and has not run previously for another office whose territory now includes a population that is more than one-third of the population in the territory for the new office), there is a 10% increase in the base

Minnesota Campaign Finance & Public Disclosure Board

Handbook for Attorney General Candidates (January 2009)

spending limit. If the candidate **wins a primary election by less than a two to one margin** (closely contested primary), there is a 20% increase in the spending limit. The candidate may not spend the 20% increase until after the primary election. **If both conditions occur**, the candidate gets the benefit of both the 10% and 20% increases.

Spending Limits with Public Subsidy Agreement

Year	Base Spending Limit	10% increased spending limit for a first time candidate	20% increased spending limit for a candidate who wins in a closely contested primary	10% and 20% increased spending limit for a first time candidate in a closely contested primary
2006	\$399,000	\$438,900	\$478,800	\$526,680
2007 – 2009	\$ 79,800	N/A	N/A	N/A
2010	To be determined			

Possible Release from Spending Limits

Candidates who have signed a Public Subsidy Agreement **may be released** from the spending limit if the conduct of the candidate's opponent in the primary election meets the conditions described in Minn. Stat. §10A.25, Subd. 10. In summary, the conditions occur when:

- (1) the opponent does not sign a Public Subsidy Agreement agreeing to be bound by the spending limits, and
- (2) the non-signing opponent receives contributions, or makes or becomes obligated to make, expenditures in an election cycle *in excess* of the following limits:
 - (a) receipts or expenditures equal to 20% of the spending limit, up to the close of the reporting period before the primary election, or
 - (b) receipts or expenditures equal to 50% of the expenditure limit, after the close of the reporting period before the primary election.

A candidate must provide written notification of receipts and expenditures in excess of the limits set by Minnesota Statutes, sections 10A.25 and 10A.255:

- (1) to the Board office within 24 hours after reaching the receipt or expenditure limit, AND
- (2) to opponents from the day following the last day to file an Affidavit of Candidacy until the date of the primary election, within 24 hours after reaching the receipt or expenditure limit.

Upon receipt of the notice, the candidate who had signed and filed the Public Subsidy Agreement is no longer obligated by the spending limits. If the candidate chooses to be released from the spending limits, the general election opponent is also released from the spending limits.

Reporting

Notes on Responsibilities

- If the position of treasurer is vacant, the candidate is responsible for filing all reports.
- The treasurer must file reports even if the principal campaign committee had no activity since the previous report.
- A candidate who spends only his or her own money must file periodic reports if their expenditures exceed \$100 – even if they have no registered committee.
- A loss in the primary election, or inactivity of the committee, does not remove the requirement to file the periodic reports.
- For each filed report, the beginning cash balance must be the same as the ending cash balance of the previous year’s annual report. The reported cash balance should reconcile to the committee’s bank account.

Receiving Forms and Where to File

The Board mails a Report of Receipts and Expenditures to the treasurer of record about three weeks prior to each filing date. Forms are also available for download on the Board’s Website at www.cfboard.state.mn.us.

Documents may be filed with the Board by:

- U.S. Mail, or
- Personal delivery to the Board office, or
- Facsimile transmission to 651/296-1722 or 800/357-4114, or
- Electronic filing using the Board’s *Campaign Finance Reporter* software. See Handbook section called *Campaign Finance Reporter Software*.

Mailed documents are considered timely filed if they are postmarked on or before the required filing date.

If you electronically file or fax your report, do not mail a copy of the report to the Board office.

Campaign Finance Reporter Software

Purpose and Availability

Campaign Finance Reporter is record keeping and reporting software developed by the Board for principal campaign committees, political committees, political funds, and party units. A CD-ROM disk is provided without charge by the Board for installation on your computer. Contact the Board office for a copy.

The software is designed to assist your compliance with the requirements of Minnesota Statutes, Chapter 10A. The software helps to maintain the completeness and accuracy of records, avoid violations, and assist timely reporting. The requirements of Minnesota campaign finance law are incorporated into the software. If you enter a transaction or a series of transactions that would result in a violation, you will be alerted. For the software's violation detection features to work properly, the Board recommends that *transactions be entered at least monthly*.

The software includes a built-in Help system. The *Campaign Finance Reporter* User Manual is available on the Board's Website or by request from the Board office and is provided with the software. Staff members also provide periodic training sessions.

Contact the Board at 651/282-6893 or 800/657-3889 to begin using the *Campaign Finance Reporter* software for electronic filing.

All changes and corrections must be in writing. You may use a copy of the report or statement – make changes and check the Amendment box. Alternatively, you may provide the Board with other written notice.

Penalty for Failure to Amend

A penalty of up to \$3,000 may be imposed on a principal campaign committee for willfully failing to amend a filed report. Violation is also a gross misdemeanor.

End-of-Election-Cycle Carryforward and Return of Public Subsidy

Partial Return of Public Subsidy if the Subsidy Amount Exceeded Your Actual Expenditures

Unspent public subsidy funds may *not* be carried forward to the next election cycle. If you received more in public subsidy than the actual election year campaign expenditures of your principal campaign committee (after adjustments for postage on hand and credit balances with vendors on December 31 of the election year), you must return the difference to the Board for deposit to the State General Fund.

The Board's form, [Return of Public Subsidy Worksheet](#), will assist the treasurer to determine if public subsidy funds must be returned and the amount. The [Return of Public Subsidy Worksheet](#) is provided to principal campaign committees with the annual [Report of Receipts and Expenditures](#) and also is available on the Board's Website.

Limited Carryforward of Unused Campaign Funds

After all campaign expenditures and noncampaign disbursements for an election cycle have been made, an amount equal to 50% of the base spending limit may be carried forward to the next election cycle. Unused postage and credit balances with vendors that exceed a combined total to \$500 count toward the carryforward amount, and are counted as expenditures during the election cycle in which they are used.

The Board's form, [Carryforward of Campaign Funds Worksheet](#), will assist in determining what amount of campaign funds can be carried forward to the next election cycle. The Carryforward form is provided to principal campaign committees with the annual [Report of Receipts and Expenditures](#) and also is available on the Board's Website.

If you exceed the carryforward limit, the excess funds must be disposed of in the following ways:

Minnesota Campaign Finance & Public Disclosure Board

Handbook for Attorney General Candidates (January 2009)

www.cfboard.state.mn.us 651/296-5148 or 800/657-3889

Mandatory Disposition of Excess Carryforward

- If the excess amount (the amount over 50% of the base spending limit) is less than or equal to the amount received in public subsidy, the excess amount must be returned to the Board for deposit to the State General Fund.
- If any excess amount remains after the public subsidy is returned, that amount must be contributed either to a political party for multi-candidate expenditures or to the State Elections Campaign Fund.

Termination of Committees

"May Terminate" Conditions and Requirements

The committee treasurer **may** terminate a principal campaign committee by filing a [Statement of Termination](#) report, along with the [Report of Receipts and Expenditures](#), when:

- (1) there are no loans, notes, or unpaid bills outstanding, and
- (2) physical assets have been disposed of so that the combined fair market value of the remaining assets (including cash) does not exceed \$100.

"Must Terminate" Conditions and Requirements

The committee treasurer **must** terminate a principal campaign committee by filing a [Statement of Termination](#) report, along with the [Report of Receipts and Expenditures](#), when *six years have elapsed* since:

- (1) the last election in which the candidate filed for the office sought or held at the time the principal campaign committee registered with the Board, or
- (2) the last day on which the individual for whom the committee exists served as a legislator or constitutional officer.

The Board will notify the treasurer of a principal campaign committee that has been inactive for six years of the need to terminate. Any committee so notified must dispose of its assets and terminate within 60 days. Call the Board office for information about disposal of committee assets. See Minn. Stat. §211B.12 regarding disposal of cash assets.

If the committee becomes inactive when it still has unpaid debts, the committee must liquidate available assets to pay the debts. If insufficient assets exist to pay the debts, the Board may establish a payment schedule and allow the committee to defer dissolution until all debts are paid.

Actions Permitted and Actions Not Permitted on Dissolution of a Campaign Committee

Campaign funds and principal campaign committee assets may not be converted to a candidate's personal use at any time, including on dissolution. A candidate may purchase assets at a fair market price.

Principal campaign committees may not contribute funds to local or federal candidates at any time, including on dissolution.

Campaign funds remaining after debts have been paid and assets have been sold, with proceeds deposited in the committee's account, may be transferred to other candidates' principal campaign committees, subject to the following:

Minnesota Campaign Finance & Public Disclosure Board

Handbook for Attorney General Candidates (January 2009)

www.cfboard.state.mn.us 651/296-5148 or 800/657-3889

- A principal campaign committee that makes contributions to another candidate is required to provide to the recipient committee, at the time of the contribution, a written statement of the donor's intent to terminate its registration with the Board within 12 months.
- The contribution must be timed so that committee termination will be completed within 12 months after the contribution was made.
- If a donating principal campaign committee fails to terminate within 12 months after making a contribution to another principal campaign committee, the Board may levy a civil penalty of up to four times the amount of the contributions made to other principal campaign committees.
- The contribution counts against the recipient's political party limit. Both the dissolving campaign committee and the accepting candidate are subject to civil penalties if the limit is exceeded.
- A terminating committee that makes a contribution in excess of the contribution limits is subject to a civil penalty of up to four times the amount by which a contribution exceeds the applicable limits.
- The contributions may not be made to a candidate for the legislature or a constitutional office during a regular legislative session. Both the recipient and contributor are subject to civil penalties for violation.
- A contribution from a terminated principal campaign committee that is not accepted by another candidate must be sent to the Board for deposit in the general account of the state elections campaign fund.

Advisory Opinions, Complaints, Independent Expenditures

Advisory Opinions

Individuals who are subject to the requirements of Minn. Stat. Chapter 10A or their representatives may request an advisory opinion from the Board regarding Chapter 10A to guide their actions for compliance with the law. Requests for an opinion and the Board's opinions are classified as nonpublic data under the Minnesota Government Data Practices Act. A "public" version of Advisory Opinions, (personal and organizational identifying information removed) is published on the Board's Website. Except in limited circumstances, opinions issued are binding on the Board.

Complaints

Any person may file a written complaint with the Board concerning alleged violations of Minn. Stat. Chapter 10A. A sample form for filing a complaint may be printed from the Board's Website or obtained from the Board office.

Independent Expenditures Prohibited

A candidate who has in effect a [Public Subsidy Agreement](#) is prohibited from making independent expenditures. Call the Board office if you have questions.
