

Active JOBZ Deals

September 01, 2010

NOTE: The information provided below is a broad overview of completed Job Opportunity Building Zone (JOBZ) agreements and, while generally reliable, is for informational purposes only. (For example, JOBZ relocations generally also involve a business expansion, and company commitments related to capital investment and new jobs represent bare minimums. Actual numbers may be much higher.) For additional information about a specific project, please contact the local JOBZ Contact, which can be found at: <http://www.deed.state.mn.us/bizdev/PDFs/jobzAdmSupCont.pdf>. For general JOBZ information, contact Bob Isaacson by e-mail at Bob.Isaacson@state.mn.us or at 651-259-7458.
