SPECIAL EDUCATION LITIGATION COST REPORT – FISCAL YEAR 2012

Minnesota Statutes, section 125A.75, Subdivision 9 (2012), states:

(a) By November 30 of each year, a school district must annually report the district's special education litigation costs, including attorney fees and costs of due process hearings, to the commissioner of education, consistent with the Uniform Financial Accounting and Reporting Standards.

(b) By January 15 of each year, the commissioner shall report school district special education litigation costs to the house of representatives and the senate committees having jurisdiction over kindergarten through grade 12 education finance.

This report is notification to legislative committees based upon data compiled on January 15, 2013.

Introduction

In response to the statutory requirement, the department created a new Uniform Financial Accounting and Reporting (UFARS) code to monitor special education litigation costs. Entities reporting financial data to the department of education are requested to use Object Code 306 for special education litigation costs. The definition of the account code in the UFARS manual is as follows:

Include all Special Education expenditures incurred for time spent by legal counsel in consideration of litigation, during litigation and in post-litigation work, including appeals and discussions regarding potential appeals. Costs should include the legal fees associated with a request for a due process hearing whether or not it settles the issue, and any expense incurred when seeking counsel in consideration of filing.
