RE: 2013 Capital Projects Cancellation Report

Dear Members of the 2013 Legislature:

Minnesota Statute 16A.642, subdivision 1, requires the Commissioner of Management and Budget to report to the chairs of the Senate Finance Committee, the House Ways and Means Committee and the House Capital Investment Committee by January 1 of each odd numbered year on the cancellation of general fund and bond financed projects authorized more than four years before January 1. This statute directs that unencumbered or unspent project balances included in the report are to be canceled effective July 1 unless specifically reauthorized by an act of the legislature.

In accordance with M.S. 16A.642, attached are the reports titled ***Bond Proceeds Cancellation Report*** and ***General Fund Capital Projects Cancellation Report***. Projects listed on these two reports were authorized 2008 and earlier and will cancel on July 1 unless reauthorized by the legislature.

In addition, Minnesota Statute 16A.501 requires the Commissioner of Management and Budget to report by January 1 of each year on the degree to which entities receiving any appropriation of bond proceeds have encumbered or expended that money. In accordance with M.S. 16A.501, attached is the report titled ***Report on Expenditures of Bond Proceeds***.

Questions regarding this report may be directed to Kristin Hanson, Assistant Commissioner - Treasury at (651) 201-8030.

Sincerely,

James Schowalter  
Commissioner
