RE: CAP Grant/Loan Termination of Obligations Report

Dear Committee Chairs and Ranking Minority Members:

This letter serves as the report required by Minn. Stat. §115A.54, subd. 4. In accordance with the statute, the Minnesota Pollution Control Agency (MPCA) is required to report on the previous year's defaults and terminations of awards made under the bond-funded Solid Waste Processing Facilities Capital Assistance Program (CAP).

CAP Grant/Loan Termination of Obligations Report  
Page Two

No CAP grant recipients have defaulted, nor has the Commissioner acted to terminate the obligations of a grant recipient at any time during calendar year 2012. However, the MPCA is currently reviewing a request from Tri-County (Benton-Stearns-Sherburne) for termination of obligations under a 1998 CAP grant agreement (Household Hazardous Waste Facility - \$115,500).

If you have any questions regarding this report, please contact me at (651) 757-2241.

Sincerely,

A handwritten signature in black ink, appearing to read "Kirk Koudelka".

Kirk Koudelka  
Assistant Commissioner
