**RE:** Minnesota Statutes 626A.17, subd. 3:  
Report to Legislature by State Court Administrator

Minnesota Statute §626A.17 subd. 3 requires the State Court Administrator to provide to the Legislature a report concerning (a) all warrants and orders authorizing the interception of communications and the use of a Pen Register, Trap and Trace device, mobile tracking device, or other electronic or mechanical device during the two previous calendar years, and (b) all applications that were denied during the two previous calendar years. On the following pages, this memorandum provides a tabulation and summary of the notices forwarded to this office during the years 2012 and 2013. A summary of the applications is included. This office received no information regarding applications that were denied during these two calendar years.

**PLEASE NOTE: This report only reflects information received by the State Court Administrator's Office concerning orders issued in 2012 and 2013.**

A handwritten signature in black ink that reads "Jeffrey Shorba".
