Dear Majority Leader Gazelka and Speaker Daudt:

Minnesota Statutes, section 13.06, subdivision 7, requires the Commissioner of Administration to submit all temporary classifications in effect on January 1 to the Legislature.

There are no temporary classifications in effect at this time. Two temporary classification applications were submitted in 2016 for my consideration per Minnesota Statutes, section 13.06, subdivision 1(c); neither were approved.

If you have questions, please contact Stacie Christensen, Director of the Office of Data Practices & Open Meetings, Department of Administration at 651.201.2500.

Sincerely,
