New Initiatives and Services

Strategic Plan

During 2017, the Law Library created a three year strategic plan. This was the library’s first comprehensive plan, and the process took several months.

Legal Reference at the Public Library

The Law Library partnered with the St. Paul Public Library to provide legal reference at five library branches. Between March and December the law librarians answered almost 350 questions. The topics of landlord/tenant, family law, and immigration were the most common.

Asian Pacific Legal Experience in America Exhibit

In April, the law library hosted the exhibit Asian Pacific Legal Experience in America. This traveling exhibit detailed the legal history of Asian Pacific peoples in the United States through three pivotal events: the Chinese Exclusion Act of 1882, the Japanese American Incarceration during WWII, and the Immigration and Nationality Act of 1965.

During the exhibition, the Minnesota State Law Library hosted a special screening of the PBS film, Of Civil Wrongs And Rights: The Fred Korematsu Story. The 2001 documentary details the 40-year legal fight to vindicate Fred Korematsu, a civil rights activist who resisted the internment of Japanese Americans during World War II. The screening was introduced by United States Magistrate Judge Tony N. Leung. Judge Leung became the first Asian-American judge in Minnesota when he was appointed to the Hennepin County District Court bench in 1994, and subsequently became the first Asian-Pacific American to serve on the federal bench in the state in 2011.
Assisting our Patrons

Answering Questions

Our patrons contact us in-person, via phone, chat, email, and mail. We make an effort to serve people in the manner that they prefer. In 2017, the reference librarians answered 7500 questions. In addition, just over 3000 people who did not need assistance from staff visited the library to use our resources, and more than 500 people toured the library over the course of the year.

A Sampling of Interesting Questions

• I am doing some genealogical research and am looking for information on Edward T Young, who was state attorney general starting in 1905.
• I have a client who had a motor vehicle theft at 17. Now he’s being denied for a gun permit. Can you help find the grounds for rejecting the application?
• I’ve just learned my great grandmother challenged an election in St. Paul in May of 1914, requesting the right for women to vote. It is my understanding that the case was argued in the Minnesota Supreme Court the week of Thanksgiving 1914 and that a written decision was issued in January or February 1915. I’m trying to locate a copy of the opinion. Thank you in advance for any assistance you can provide.
• The police say my house has been designated a meth lab. How do I get that removed?
• I’m looking for the language of the building code that indicates pre-existing buildings are not required to be brought up to code (aka a grandfather clause).
• We have accepted a purchase order for the sale of a condo we own in Hennepin County. The buyer paid $5000 earnest money with the purchase agreement. Now the buyer and his real estate agent are not responding to any of our calls and will not set a closing date. Can we file a claim in small claims court to keep the earnest money? In what county should we file the claim?
• I work at the law library at the College of William & Mary, in Virginia. I’m putting together a survey of the surviving volumes of the reports of our founding professor, George Wythe, and I’m hoping Minnesota might be willing to help me: I see a copy of Wythe’s 1795 decisions in your Special Collections. I wonder if someone there might be persuaded to look at your copy, and see if there are any signatures, inscriptions, or other signs of former ownership inside the covers, or on the first and last few pages? There are only about 30 or so copies of Wythe’s Reports remaining, and while he didn’t sell very many in his lifetime, he did give quite a few away to peers and his former students (like Thomas Jefferson).
• Can a co-owner of undivided property put a judgment against one owner’s share if he refuses to pay the property taxes, and therefore another owner had to pay it to keep it from being sold as tax forfeit? Is there any legal recourse for co-owners if one owner will not pay his property taxes?
• What does HIB stand for? My friend and I had been hearing about it on the news. I called the reporter, who didn’t know, and called my U.S. Representative’s office. They also could not tell her.
• Were people required to be legally married, i.e. fill out a marriage license and all that, to be married in Minnesota in the 1940s? I cannot find a marriage license for my grandfather’s first wife and since his father was a minister, they may have just done the church ceremony and called it good. And if someone only did a church ceremony and not the legal paperwork, would they need to file divorce paperwork? This is all in the context of the 1940s.
• What are the rules for wet blasting lead paint?
Self-Help Clinics

The State Law Library offers two appellate self-help clinics. The general Appeals Self-Help Clinic is offered once per month. In 2017 the clinic assisted 140 people. The top three types of cases seen at the clinic were family law, civil, and appeals from administrative agencies. The State Law Library also continues to offer an Unemployment Appeals Self-Help Clinic twice per month. In 2017, the clinic assisted 37 people who were considering appealing their denial of benefits to the Court of Appeals. The vast majority of these types of appeals (92%) involve an unrepresented party.

Online Presence

Opinion and Briefs Archive
Since 1996 the State Law Library has provided an online, searchable database of appellate court decisions. In 2017, an option to browse opinions by date was added.

The library also maintains a searchable database of appellate briefs from published Minnesota Court of Appeals and Supreme Court cases. Coverage goes back to 2005. In 2017, the project to add criminal briefs was completed.

Social Media
The library now has 218 Facebook followers. This is an increase of 20% from 2016. The library’s Twitter feed now has 1,340 followers, up 8% from last year.

Current Awareness

Each month, the State Law Library compiles a list of articles of interest to the courts and distributes the articles to all members of the Judicial Branch via email. Beginning in July of 2017, we began limiting the list to 10-15 articles with a strong emphasis on articles directly relevant to the work of the judicial branch. Brief annotations of the articles were also added to aid readers in selecting articles of interest. Response to the first edition of the list was very positive and we continue to get good feedback.

A separate list of diversity articles was also compiled over the course of 2017 and the growing list was made available as part of the monthly email beginning in July. Previously, the list was not distributed until the end of the year.

In addition to articles, tables of contents of Minnesota legal periodicals were compiled quarterly and distributed with the monthly email and MJC employees who indicated an interest in a particular journal were sent the tables of contents for those journals via email when the journal was received.
Interlibrary Loan

The State Law Library provides an interlibrary loan service for the Judicial Branch. This includes both books and journal articles. In 2017, the library obtained 56 items for the court and loaned 91 items to other libraries.

Continuing Legal Education

The State Law Library offers free CLEs for the judicial branch and other interested attorneys. In 2017, the library hosted eleven CLE programs (8 standard credits, 2 ethics credits, and 1 elimination of bias credit).

Law Clerk Assistance

The library communicates to the law clerks via a quarterly law clerk newsletter, and has a dedicated lawclerkhelp@courts.state.mn.us email account. It is a popular resource and the library regularly gets emails from law clerks all over the state.

In 2017, the State Law Librarian arranged several training sessions for the appellate law clerks on how to do Minnesota legislative history research. In addition, she presented a legal research CLE to the 10th District law clerks.

The library’s Outreach Librarian and Electronic Resources Librarian created and presented a new “Prepare to Practice” course for outgoing appellate law clerks.

Managing the Collection

Our Technical Services Department is responsible for ordering, receiving, processing, and cataloging books and other media - including e-books and online documents - for the library’s collection. In addition, the department catalogs materials for seven county law libraries. The department also serves as a publisher of the Minnesota appellate courts’ briefs on microfiche for county and academic law libraries.

When new items arrive, library staff catalogs, processes, and then shelves them in the State Law Library, the Court of Appeals Research Library, or the Supreme Court Research Library. The staff also culls outdated materials from all three libraries and relocates materials to make space for new volumes.
2017 Statistics

- 1,206 items circulated
- 3,584 continuation items added in the three libraries (new replacement volumes and hardbound supplements)
- 857 new titles added
- 274 original cataloging records created
- 1,484 briefs processed
- 1,431 Federal Depository Library items added

Special Projects

Inventory

In the summer of 2013, the library began the first inventory of the library’s collection in over 20 years. Due to the size of the library and the length of time since the last inventory, this project continued through the following years and was finally completed at the end of 2017. In conjunction with the inventory, the department has also been working to clean up the library catalog in preparation for a migration to a new catalog management system in January 2019.

Digitization

The State Law Library has made a number of contributions to the Minnesota Digital Library (MDL) in past years and we plan to continue offering our unique materials for digitization. In 2017, the library contributed one book, A History of the City of Saint Paul, and of the county of Ramsey, Minnesota. The library also proposed to contribute three oral history interview videos. These were accepted and will appear in Minnesota Reflections sometime in 2018. The Law Library item from the Minnesota Reflections collection that was most heavily used in 2017 was the Roll of Attorneys (1858-1970).

Minnesota Legal Periodical Index

The Minnesota Legal Periodical Index (MLPI) is a database of Minnesota legal periodicals that the State Law Library has developed and maintained since 1984. It includes periodicals published by Minnesota law schools, bar associations, and commercial publishers. The web version of MLPI is powered by LawMoose and is a collaboration between the Minnesota State Law Library and Pritchard Law Webs. In 2017, the Cataloger indexed 1148 articles for the MLPI. The indexing process involves designating the journal, volume and issue, author, and title. In addition, up to three subject headings are assigned to each record to aid researchers in searching for articles by topic.

Appellate Briefs

The library provides access to appellate briefs in various formats. For Minnesota appellate decisions that are published in the Northwestern Reporter, the library binds the briefs and
their addenda to ensure long-term access. These materials are heavily used by, and circulated to, attorneys.

- 9 volumes of bound briefs were added to the collection.
- 484 microfiche sheets were produced. (Library staff prepares the briefs for microfiche processing. Area law libraries that do not have print copies of briefs purchase the microfiche.)
- 1,667 briefs were redacted and added to the library’s online database. The database is now complete back to 705 N.W.2d, after retroactively adding all criminal briefs that had not been added initially.

**Law Library Service to Prisoners (LLSP)**

**About the Program**

The mission of LLSP is to provide law library service to inmates incarcerated in Minnesota. LLSP is funded by an inter-agency agreement between the State Law Library and the DOC. The program expenses are provided by inmate canteen and phone services, and not paid for by Minnesota taxpayers.

Law librarians provide access to legal materials, both at the correctional facilities and the Minnesota State Law Library (MSLL). Circuit-riding prison law librarians, based at MSLL, conduct monthly visits at eight adult correctional facilities to meet with inmates. Questions that cannot be answered on-site using the prison collections of core legal materials are researched at MSLL. Inmates also write or call LLSP for assistance with their legal research. In addition, the program provides law library services to Minnesota Department of Corrections (DOC) staff and DOC inmates housed in other facilities, such as county jails, state hospitals, and other states.

**2017 Statistics**

- 9,869  DOC inmates
- 95    Prison visits
- 9,459 Estimated miles travelled
- 1,282 Inmate interviews
- 2,404 Individual inmates assisted
- 36,801 Inmate requests processed
